## Ozone Rules

Must use only 3 outfielders.
Use a 9-batter batting order (but if both coaches agree, both teams may use a continuous batting order, but both teams must do the same. One team using a 9-batter batting order and the other team using a continuous batting order will not be allowed). If using a 9batter batting order, any batter removed from the batting order (starter or substitute) can return once more into the batting order, but can only be put back in the same batting order slot.
Can start a game with only 8 players; if necessary, can borrow up to 2 players from other teams to make up your 8 players (those borrowed players must play in the outfield and bat at the bottom of the batting order). If you have 8 players, you cannot borrow any players. If 8 players play, there is no out counted for the $9^{\text {th }}$ batting spot.
Free substitution on defense
All players must play at least 2 innings on defense (doesn't have to be consecutive innings) and bat at least once.
7 run rule per inning, except for the last inning (regardless of what number inning it is) which is unlimited in order for a team to make a comeback. However, no new inning starts after 1:45 minutes. If each team plays the same number of innings, or the "home" team is ahead, and the game is at the 1:45 minute mark or later, the game is considered over. However, if the game is before 1:45 minute mark, the game continues until both teams have batted the same number of times, or the "home" team is ahead. At the 1:30 mark, umpires should remind each respective manager that no new inning starts after 1:45 minutes, even if tied, and the game may not last the scheduled 6 innings. Game consists of 6 full innings or no new inning may start after 1 hour and 45 minutes. 10-run rule as in Dixie Youth Rule book 4.10(a)(9) - A game is over when a team is ahead by 10 runs after both teams have batted four (4) times. Pitchers shall only be charged for innings actually pitched.
Pitching rules as in rule book - no pitcher can pitch more than 6 innings in a week (Monday through Sunday). Throwing one pitch counts as an inning; for other restrictions see rule 8.07 in the rule book.
All other rules apply as stated in the Dixie Youth rule book.
